CUSTOMER SERVICE

We are committed to our customers and to the motorcycle community. We are, after all, one of you and we were part of the motorcycle community long before we ventured into being a motorcycle dealership.

This year we remodeled a building and expanded, bringing Aprilia alongside the lineup with Moto Guzzi. Expansion and change, at times, has caused growing pains,

which we have tried to minimize for our customers and our staff. Improvements have included a better shop layout for fewer interruptions to our mechanic. In addition, Randy came on mid-year and has stepped up to not only sell bikes, but to care for customers even after they have bought a bike.

As we move into 2017, we continue our commitment to constant improvement

and excellent customer service. Stay tuned, no pun intended, for more specifics about how we will better serve you in 2017.

We're a small business and want to do our best to have satisfied customers and staff. We THANK YOU for your support!!!

BE A RACER

Winner, winner, chicken dinner – Way to go T.J. on taking First Place in the OTH Junior Motor Cross race competition at PIR this year. Join us on Saturday, October 29, from 1 to 3, at AMGP, as we celebrate TJ's victory.

In other racing news- Stefan Bradl will leave the Aprilia Gresini Moto GP racing team the end of this year and move to World Super Bike to race for Honda. It looks like Aprilia's riders for 2017 will be Sam Lowes and Aleix Espargaro. Alvaro

Bautista will still be racing Moto GP, but will ride for that other Italian racing team.

House Keeping –

1) If you are receiving this newsletter via email, or surface mail and do not wish to receive it please let us know and we will take you off the list. On the other hand, if you know of someone that would like to receive our newsletter, please pass it along.

2) If you know of a happening in the motorcycle community, let us know and we will try to post it in our newsletter.

Winter storage seminar

With Fall finally here and Winter on the way, it's time to think about Winter bike preparation. Whether you ride all season, or plan to store your bike for the Winter, there are some basic maintenance procedures you should follow. Tires, batteries and lubrication are all important items to tend to now, before the weather gets cold and your bike is holed up in the garage for

extended periods.

So join us on November 5, from 1 to 2 p.m., and we will share all of our timeless wisdom on the subject. And of course we have service specials and deals on supplies to help you accomplish all the important maintenance your bike needs.

FOURTH SATURDAY RIDES

We had a great turn out for the Tickle Creek TT, our first 4th Saturday ride. Thanks everyone for participating and a big **THANK YOU** to Mark Regan for being our impromptu ride leader.

As of this writing, a small group is out on the Moto Cruzzi with da Guzzi's, led by ride leader and salesman extraordinaire Randy Ballard. Really he just wanted to ride the

MGX-21. **THANK YOU** to Steve Ford for being the chase bike.

If you are interested in leading a 4th Saturday Ride, or have a ride route idea, please let us know.

Our next 4th Saturday ride will be an adventure bike ride led by Rick Chappelle. This ride will explore gravel and dirt roads in our area.

Come and see what your Stelvio, Caponord, Scrambler, or your bike can do. If you aren't afraid to get your bike dirty you can do it.

Please note there will be no 4th Saturday Ride in November. Thank you.

Extended Warranties

Both Moto Guzzi and Aprilia offer some of the best warranties in the industry at 2 years, unlimited miles with zero deductible on claims. But did you know that you can extend that warranty for up to 4 or 5 additional years depending on your make and model? As long as your current bike has at least one month of factory warranty remaining you

can extend your warranty for a nominal fee. From now through the Winter Aprilia Moto Guzzi Portland is offering extended warranties at a discount price. See Randy in the Sales Department for details.
