## Aprilia Moto Guzzi Portland

10543 NE Sandy Blvd, Portland, OR 97220

503-777-0953, [motoguzziportland.com](http://motoguzziportland.com) or [apriiaporland.com](http://apriiaporland.com)

Hours: Tues-Fri 10-6, Sat 9-4

## CRUISING INTO 2017 WITH GUZZI

Guzzi has added 3 new bikes to the lineup. The V9 Bobber and Roamer and the MGX21.

The V9 Bobber and Roamer are mid-sized cruisers with authentic soul and feature an 850 cc engine and a 6-speed transmission. Many Guzzi enthusiasts test rode the Bobber at the Guzzi National Rally. If you didn't get a chance, we have a V9 Roamer available for a test ride.

Bring your gear, insurance and motorcycle endorsement and we will get you on your way.

The MGX21 was unveiled at Sturgis with fantastic reviews. It is the best handling and quickest bagger on the market, has a 21" front wheel, REAL carbon fiber, a foot peg or floor board riding option, and an infotainment system. For a personal review ask our AMGP preferred customers Steve

Ford and Mel Lucke who test rode these bikes at Sturgis. The MGX21 will be coming to AMGP soon – reserve yours now.

You too can become a **AMGP preferred customer** when you buy a new or used Aprilia or Guzzi from us. This will entitle you to a discount on the service of your bike, as well as priority scheduling for service in the peak season.

## #BE A RACER

Come out to PIR for Thursday Night Motocross and support AMGP's own T.J. Hersh. T.J. has been racing dirt bikes since he was a wee tot. He started the season in the junior class and has had several first and second place finishes. Last Thursday he moved up to the intermediate class and finished 2<sup>nd</sup>. Way to go T.J.! Races start at 6 p.m. Come on out and hang out with friends and enjoy the races!

Not sure you want to be a racer, then a track day

may be for you. This is a great way to hone your skills and get a taste of racing, not to mention you get to go fast without the traffic distractions. PSSR will be hosting a track day at The Ridge Motorsports Park on Sunday, Sept. 4

Looking for a track bike? May we suggest the RSV4 with 201 horse power, 86 ft-lbs torque, 3 engine maps and more. Come in and see Randy and he will get you started on your racing adventure.

## Fourth Sunday Rides are moving to the Fourth Saturday

– We are changing the day to better fit the schedule. Stop in on Saturday, August 27 at 9:30 a.m. for the Tickle Creek TT Sport Bike Ride. This will be a 150 mile spirited ride on some twisty roads in your own backyard and beyond. The next ride will be September 24 and is geared for cruisers. October 22 will be an adventure bike ride. The cruiser and adventure bike rides will leave from the shop at 9:30 am.
