TOGETHER WE RIDE

We Ride Together. That is the theme presented at the Dealer Meeting last month by the President of Piaggio Group Americas, Mario Di Maria.

It is a fitting theme, as most of us are in the motorcycle business, or own motorcycles because we want to ride. Riding together is fun and gives us the support and strength of others. As business owners, the “together” part is very

important to us. We are a team with Piaggio, our staff, customers, and the community. We are all interconnected and one impacts the other.

Together makes us all better.

Rick and I discussed this year that we wanted to get back to the basics of why we do this and that is to ride motorcycles, with others. Thus, the theme of “Together We Ride” is perfect for this year. We

had a frigid jump start to our riding season at the Polar Bear Run, on January 1. Thanks to all the Guzzi/Aprilia riders that showed up in force.

The next Together We Ride event will be a 4th Sunday ride on March 25. Meet at Aprilia Moto Guzzi Portland at 9:30 a.m. Ride leaves at 10. All bikes welcome.

See Happenings on the left for more ride events.

TWO WHEEL TUESDAY – Vintage Run-wot u brung

The “Together” part of Together We Ride begins with being part of the community. We plan to have several events this year for riders and enthusiasts to connect with one another.

Don't know any bikers, or want to meet some new ones? Join us on Tuesday, April 3 for the inaugural TWT for 2018. Bring out your vintage Guzzi, Triumph, BSA, Vespa, Honda, Harley or favorite moto machine and join us for this inaugural event. All bikes, custom,

homebuilt and stock vintage are welcome. Food will be provided -BBQ meats from Gartner's Meat Market. Fun starts at 5 and goes until 8 p.m.

Dunlop deals going on now for certain tires – contact Paul in the Parts Department for specific details.

OREGON MOTO GUZZI OWNERS CLUB

The Oregon Moto Guzzi Owners Club is more of the “together” part. The club has been around for more than 40 years. The club hosts breakfasts and other events throughout the year. More details can be found at the club’s website www.orguzzi.org.

see what the club is all about.

The next club event is the March 17th breakfast at Elmers on Sandy Blvd. Ride on down and meet some interesting folks and

WELCOME TO AMGP HENRY

More of the “Together” - Henry Hernandez joins our team as a tech in the Service Department. Henry is a graduate of Motorcycle Mechanics Institute – Orlando, Florida.

After graduating MMI, Henry worked at a shop on the coast before coming to Portland and going to work for Latus. In addition, Henry has

completed Aprilia training through Piaggio.

We are confident that Henry’s training and prior experience will allow us to continue to provide our customers with an excellent service department that will meet and exceed your needs.

ONLINE STORE ANOTHER WAY TO CONNECT & SHOP

Check out our new online store on our website motoguzziportland.com. You can shop for and purchase accessories from our online store and have them shipped to your door. We will be continuing to add items to

the store, so check back, if you don’t see an item listed. Call Paul in parts for help finding what you need.

A big thank you to Colin Freestone for getting the online store up and running!!
